Rent a scooter from Smatt's – the only independent way to fully experience the beauty of Bermuda. For over 60 years, visitors have relied on Smatt's for their rental scooters and return again and again because of our dependable and friendly service.

Our rates are competitive and our service is second to none. At Smatt's you can choose from a selection of easy-to-operate automatic scooters. We have one of the newest fleets of scooters available in Bermuda. All of our scooters are expertly maintained by our own, certified mechanics – you can feel confident that you are renting a safe, dependable scooter.

RATES*	Single Seat	Dual Seat
